Funny this post came on latest forum topics, because I was looking for one to post on before it appeared.

Kids Next Door Opening Introduction

The post before mentions the name Hitler by coincidence and this tune makes me think about Germany as a country with Nazi somewhere in there.

And I listened to it at time 19:41, put that as a year, it was when

the war happened.

3 (or 2) coincidences!

I won't patronise you with a wise quote.

For: Islam, Quasi Capitalism/Socialism, fair job allocations, moral modesty, Palestine, sensible patriarchy
Against: Pointless reveling, mass drinking of alcohol, United States led invasions, Iraq war, excessive pride, excessive SME business rates, postcode neglect, busy lifestyles
