Manowar - Die With Honor

"True justice is quite simply the will of the Emperor."
"No world shall be beyond my rule; no enemy shall be beyond my wrath."

Allied with The Colony of Grimezone
Proud Nation of The North Pacific

Absu - *Those Of The Void Will Re-Enter*

> **CVT Temp wrote:**
> I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.
