Most likely the Green Party. It's who I'd support in my own nation and in yours.

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.

I really, really don't like any of the parties, but if I really had to choose, I would very reluctantly vote for the incorrectly named Quartian Environmental Party, but I'd cry in the voting booth.

Even with the new parties, the Green Party, Justice Party and Democratic Socialist faction of the Social Democratic Party all continue to be my most preferred choices, in that order. I would however consider a vote for the Pirate Party, in the right circumstances.
