Nicki Minaj - Grand Piano

This sounds like a boring piano song, but...Nicki Minaj did a boring piano song? This is weird and not particularly expected from her.

Morgan Heritage - Mission In Progress

Going through my reggae playlist. So many gems I forgot about...

“**Corrian wrote:**

Nicki Minaj - Grand Piano

This sounds like a boring piano song, but...Nicki Minaj did a boring piano song? This is weird and not particularly expected from her.

Yeah, she tried to change up her image/style a bit with the album that song is from. Still pretty popish but not the Katy Perry-esque crap that she was doing before. I think she realized that she was being taken less and less seriously...
