I see them a lot, I'd say very well known

NS stats are canon, except for the population, which is 329,748,284

I've seen them around in F7 but not really in any of the other boards (granted I only check like a couple other subforums here), so they're probably only a little bit known.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

I don't see them often in F7, so I'd say neutral.

Well-known. Aside from their unique name that makes them memorable - they are also quite active in NSG, so they are also well-known especially among frequent visitors of NSG.

I've seen him a few times on forum 7, not super often though. I would say he's a pretty reoccurring user though.

They're a veritable NS semi-celebrity, having many posts in non F7-forums but definitely being immediately recognizable in Forum 7.
