Aleready arrested, but they're awaiting trials for illegally trespassing into foreign soil.

Teachers' unions call for more clarity in matric exam guidelines

I mean, I don't blame them. My art exam board has so few guidelines that it's basically "do some stuff lol".

Cold wave comes over Deblar, temperatures as low as 35 degrees Fahrenheit.

Don't have much context about the AN but I presume it's mostly subtropical. Meanwhile in some parts of the northern mountains, above 3000 metres in Suli it dips slightly below the 0 degree Fahrenheit mark and is actually above average for the area.

BN: T for Thursday, W for Week. *Oh crap, I forgot to put in 'Th' to distinguish it from Tuesday, welp.* It is Week 6 from my system (apparently it is W5 in most systems, but meh).
