While governor of

**O H I O**

the man is stabbed by a chimpanzee with a rusty knife in the kneecap. Doctor says man has three weeks to live.

Make it count.

It's not possible, Entro i

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
