a "democratic" socialist nation led by a gay student activist turned coffee addict that worked under a system of unitary dominant-party semi-presidential republic because im biased that is currently going on an reform craze, mainly social.

So every momo that goes to starbucks and thinks they know what they're talking about

What if Iran and Turkey switched politics in the 1920s

Dope premise ngl

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.
