Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

The bottom of the flag made me think of GI Joe.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
