He doesn't find beer, but on the other hand, someone gets him a coconut with whiskey and coconut water inside.

Yes, it was the Brazilian mythomaniac, he lied even about the poisoning.

The Brazilian mythomaniac and the demigod became best friends.

The Brazilian mythomaniac puts something in the demigod's drink and says it's rat poison. The demigod takes it and realizes that it was only some strawberry-flavored chocolate sprinkles.

The demigod decides to play dead to scare his Brazilian mythomaniac friend who is still drinking whiskey with coconut water.

The Brazilian mythomaniac friend gets in a call with the 9-1-1 operator. The 9-1-1 operator suggests to bash the demigod's skull with a humongous rock to wake him up.

However, Demigod rolls out of the way.

"I thought we were friends. But you have betrayed me."

As Demigod says this, the sky darkens as he calls down the lightning of the gods to obliterate the Brazilian mythomaniac.

The Brazilian mythomaniac decides to put on a funk pop show in hell and makes his demigod friend dance on stage. His music talks about how he loves to drink whiskey or coconut water and that it doesn't matter which of the two drinks he takes, the important thing is that he always wants more.

The demigod begins to dance in a vulgar way, releasing his inner chicken.

The Devil watches all that in horror and begins to think about expelling them from Hell.
