Avant-garde metal gets weirder the more I delve into it (Or, my dad does)

My dad said the videos like hillbilly metal.

But yeah, I dig the instrumentals in it.

My dad and I were kinda trying to figure out why we liked the song

Nostalgia - Sunshiny Milk

All this cool music is reminding me I need to get back to listening to music again...I just love that feeling of finding something new and interesting for some reason.

"Hillbilly metal..." that's perfect.

It's a really cool song, only thing I don't like is the vocals; those kind of vocals, especially in a different language, is waaay to rough for my ears.

Well, you liked it at all. That's more than I expected

Vocals are pretty bizarre for that type as well.

Forgot to comment on this.

I'm the same way. I'm like a kid in a candy store when I find some new good music...it's like a weird high or something. ☐

Question – Autumn
