I'd say their recognisability goes in peaks and troughs depending on their activity. Haven't seen them much myself lately, but they've been around a while.

Lol you said it was weird I didn't know Drongonia but apparently, you don't either!

Anyways, extremely (in)famous across the NationStates community for bullying summerposters and "summerposters" and "being funny".

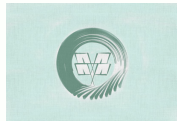

Hello there. I'm **Simonia**.

Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, **Pink Castle City** is called that for its pink castle, **Pink Castle City's main building**.

Pretty well known, in my eyes. Multiple forums they make appearances in and a pretty recognizable set of iconographies makes them quite memorable.

Your activity is now sporadic and diminishing, though your flag is still sharp as ever in many of our minds.

Not that you're particularly interesting or anything, it's just a good flag. ☐

Fairly new to the community, so I wouldn't say super well recognized. And from what I saw in a certain thread that became a full-blown argument, I'm not sure if I want to know them.

They are not very active on the forum (150 posts since 2017 registration), so they are not known at all, unless of course it is a puppet.
