Pretty much unknown, I've seen them around but they don't really have a "presence" about them, if that makes sense.

They're quite a decent degree older than my nation, yet I've never seen them at any point in the forums before and they barely have around 130 or so posts on the forums as a whole, so they havent really been too dedicated to the forums. With that in mind, they're not particularly well known.
