I can't give you a graphic example if you don't have the images of people whistling along as they pretend to do something ostentatiously with relaxed aplomb. Apart from that, ANY whistling deserves the death penalty. I am not alone in feeling this way:

20 year prison sentence for cannibalism and disrespect for the dead. If this occurs multiple times, you're in for a life sentence in a mental asylum.

Hacking into the government's computers so that when someone would click a link, they would occasionally get rickrolled.
