Doesn't matter, they were branded "Premiata Forneria Marconi" on their English albums.

BTW. Check the NSBalls thread...

I'm 'listening' to my younger brother play games on the Orange Box downstairs, because I'm too lazy to get up and walk out of the house for an hour or two.

Motivation by Sum 41. My brother is playing it on Guitar Hero in the other roo and he totally sucks.

I just want you to please note that any knowledge I show throughout NS is based off of a 3rd grade education. All this means is that I probably know absolutely nothing about any subject I post about.

Sex by The Zappster

Ladies they need it just like the guys...

Anytime, anywhere.

Sex.

Why do you think its going there?

Some girls try it and they don't like it  
they complain because it don't last.  
Who wants to ride on a debutante?  
It talks too much and moves too fast.  
Watch the scenery while you ride you can be very warm inside,  
and when the train goes around the bend,  
check the shrubbery on the other end.
