## Boards of Canada-Gemini

Heard that this album was kind of weak for a highly received bands first album in many years. Like it just sounded too much like their other stuff and like they didn't really do anything new.

I guess I'll see.

My neighbour playing the piano.

An eye for an eye makes the whole world blind, a tooth for a tooth makes the dentures industry the largest in the world. Capitalism *a*lways profits for some reason.

The day everybody gets human rights is the day that there will be no more humans left.

[JEFF the Brotherhood - Wastoid Girl](#)

---

Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.
