Walk on gilded splinters  
-- Dr. John

<https://www.hvst.com/posts/the-clash-of-...s-wl2TQBpY>

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
