Not very well known. The first time I saw you actually, though it may be because I've just returned to activity only today

Never saw them before... They probably were more well known in the past, but now, they are quite unknown.

Even though they've joined fairly recently, I can safely say that they are well known throughout many areas. But especially F7, as they post there the most. They also are nice, at least from my interactions with them, and I feel like they've been here even longer than they have, because they seem like a veteran of the site even though they joined rather recently. Which is even more impressive, honestly.

Every time I want to reply in this thread, I see you, and that's not really an issue, but I do hope I'm not getting boring, or well, repetitive in my replies. As I do enjoy saying nice things about you. The Finntopian Empire is *very* well known, and frankly, a legend on F7, and I do not say that lightly. I don't think there's anyone who *doesn't* know them, aside from new-joiners, I guess.

One of the most legendary users on NationStates. (and well deserving of the upcoming 'Commend Valentine Z' resolution, mind,) - I have not interacted with them that much, personally, but from the times I have, it was friendly, and overall great. They're extremely well known, and it's obvious as to why.

They're only like a month away from being a year old, yet haven't even reached 100 posts. This isn't at all a bad thing, but it might justify why to me I've never seen them before and I'd therefore say they're probably barely known.
