no

Saire Weevia started as a British Colony, then it was conquered by Russia, it became the only English-speaking republic of the USSR after the October Revolution, and then when the USSR collapsed they kept their flag rather than changing it and democratized their communism rather than adopting capitalism

Very large modern island nation in the South Pacific. Ruled by a compassionate yet slightly-unhinged king, with a very isolationist yet empathetic populace. Notable characteristics: terrifyingly mighty air force and navy, world famous cars, legendary blend of wildlife.

NS stats are canon; factbook coming soon. Some things are my RL views, some things are not. If curious, feel free to telegram.

Yes, I used to be a very immature person. That was years ago. I'm trying to be better now.
