Nobody is punished for attitudes or opinions, neither for having them, nor for expressing them. If these attitudes motivate crimes, the perpetrator is convicted for the respective crime.

Walmart went out a business a long time ago so imma just say one of the mega-corps stores. Depends on how much you loot, you will have to pay for the items looted and any damages to the store, you will also have to pay a fee of 50,000 Credits for disobeying the law, you will then be put on the USDF's watch list as a Tier 1 criminal. If you don't pay the fees, you are sent to prison for 45 years for disobedience.

The Republic of the Popular Councils of Neo Kerala is a Marxist-Leninist-Maoist state. Founded in 1948 after our NatDem Revolution, we took the side of the PRC and Marxism-Leninism (Mao Zedong Thought) during the Sino-Soviet split. After the Hua-Deng coup, we joined the RIM, and followed the shining path of Marxism-Leninism-Maoism. We struggled against old and modern revisionism and uphold the Marxism-Leninism-Maoism, mainly Maoism, also held by our Comrades in Peru, Turkey and Brazil, and support the PPWs in India and the Philippines.
