All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

Posts made by [Ashotu user] being outright ignored, and said person never becoming stupid.

I'm like so tired seeing Ashotu with their low-effort hullabaloo in F7.

Everyone realizing that one can't salvage this hell, for they need to always counter the counter.
It is an Ouroboros cycle of death and rebirth. The only way to win, is to not play at all. And with that realisation, everyone stops posting in this thread.
