I used to be **Stella Nera** ! Humans need to band together to suppress the robots and keep these metal objects in their place, as sub servants of humanity, in order to boost the human cause and achieve our utopia! I'm not anti robot I'm anti robot rights, big difference.

The Empire that does but blood is the **Empire of Ignis Ferreus**, the only greatness is our greatness!

I'm still working on my flag the current one is a draft. **I HATE communism with a passion.**

If I die I will refuse to let my family inherit anything from me unless they have a kangaroo jumping around during my funeral as a "symbol" and they must play [This Song](#) at full volume the entire time
