Well-known in II, not sure about elsewhere. Definitely appearing in F7, and this thread specifically.

Very well known.

(Sadly, nobody recognizes me whenever I change my flag).

I am not too active, I really on log on only to preserve this account.

Hantuonia? Is that *you?* /jk

Quite well known in F7, made some good threads but it's mostly "oh yeah, that guy", not someone who would immediately come to mind.

I haven't seen them until now, but that may be because I only linger on the ego booster threads of F7, that or I may be a bit newer than I realize. More than one hundred posts in this subforum looks to tell another story, so 7.5/10 on the "Known"-ness scale.

~~Haven't seen them before, mostly because they main NS Sports. They're probably fairly well known there, though.~~

I've just seen them once or twice, but judging by post count they must be pretty well-known.

Not really well known, probably in part to their relatively low post count for how much time they've been on NS.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

All three ANs have olive branches (idk if they're olive branches but the design is very similar) n their flag. Strange.

Anyways, An is rather well known to me, considering that I spend most my time on F7 and Meretica doesn't, but there isn't really anything too distinguishing about the country (I have not read any of your factbooks, but I haven't had any reason to do so) to me, currently. Like I said, the design on the flag is similar to two ANs.

ninja'd

Fachumonn is relatively known to me. I've seen them recently on F7 more, but it seems that they post a lot on other forums as well. Forums that are foreign to me; I rarely ever venture outside the relaxed atmosphere of F7.

Never seen them before, but I'm assuming that they are well-known in The North Pacific.

I've seen this guy interact a handful of times with Southeast Marajarbia, but I don't think that he has ties with Textkentuck. Only recently saw him hanging out in F7 more.
