This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.

Three Tons Of Fresh Thyroid Glands - Yezda Urfa
Why did I download this album? Dunno, but it's pretty swell.
