"The Sith are masters of the Galaxy. No-one, not even the Jedi can surpass our power."-Darth Nox.
The Sith Empire is one of many Star Wars nations, it is based off the Sith Empire from the popular online RPG known as "Star Wars: The Old Republic", we are in no way connected to the Galactic Empire as seen in the original trilogy.
We must also inform you that we do not use NS-Stats, as we are a spacefaring nation that rules part of a galaxy, those stats would not mesh together with our lore.

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.
