Green Day - Boulevard of Broken Dreams  
From *American Idiot* (2004)

*I'm walking down the line  
That divides me somewhere in my mind  
On the border line of the edge  
And where I walk alone*

*Read between the lines  
What's fucked up and everything's all right  
Check my vital signs to know I'm still alive  
And I walk alone*

*I walk alone*

*I walk alone*

*I walk alone*

*I walk a...*

*My shadow's only one that walks beside me*

*My shallow heart's the only thing that's beating*

*Sometimes I wish someone out there will find me*

*Till then I walk alone*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Green Day - Wake Me Up When September Ends  
From *American Idiot* (2004)

*Summer has come and passed*

*The innocent can never last*

*Wake me up when September ends*

*Like my fathers come to pass*

*Seven years has gone so fast*

*Wake me up when September ends*

*Here comes the rain again*

*Falling from the stars*

*Drenched in my pain again*

*Becoming who we are*

*As my memory rests*

*But never forgets what I lost*

*Wake me up when September ends*

Simple Plan - Save You  
From *Simple Plan* (2008)

*Take a breath, I pull myself together  
Just another step until I reach the door  
You'll never know the way it tears me up inside to see you  
I wish that I could tell you something to take it all away*

*Sometimes I wish I could save you  
And there's so many things that I want you to know  
I won't give up till it's over  
If it takes you forever I want you to know*

*When I hear your voice it's drowning in whispers  
It's just skin and bones, it's nothing left to take  
And no matter what I do I can't make you feel better  
If I only I could find the answer to help me understand*

*Sometimes I wish I could save you  
And there's so many things that I want you to know  
I won't give up till it's over  
If it takes you forever I want you to know*

Green Day - Good Riddance (Time of Your Life)  
From *Nimrod* (1997)

*So take the photographs and still frames in your mind  
Hang it on a shelf in good health and good time  
Tattoos of memories and dead skin on trial  
For what it's worth, it was worth all the while*

*It's something unpredictable but in the end is right  
I hope you had the time of your life*

Green Day - Brain Stew/Jaded  
From *Insomniac* (1995)

*Somebody keep my balance  
I think I'm falling off  
Into a state of regression  
The expiration date  
Rapidly coming up  
It's leaving me behind to rank*

*Always move forward  
Going "straight" will get you nowhere  
There is no progress  
Evolution killed it all  
I found my place in nowhere*

*I'm taking one step sideways  
Leading with my crutch  
Got a fucked up equilibrium  
Count down from 9 to 5  
Hooray! We're gonna die!  
Blessed into our extinction*
