I dunno, Maine?

The Ausar Confederation was the nation of the Ausar before their entry into the  
Albanian Empire on 19 July 3788 BCE.

The AC is a constitutional monarchy; the monarch is head of state, though the  
true power lies with the democratic Federal Assembly. More info on the Ausar as  
a species can be found [here](#). Expect lots of fluffy tails, tall doggo ears and  
plenty of niceness!

NS stats are not used | IC year is 3797 BCE | Tech level is PMT
