Moderately good or evil, right on the fence, in the grey zone.

I, for one, welcome our future Mexican drug overlords.

9.5/10

Imperial States of Duotona
When good beats evil, the sky's the limit.

A nation peacefully residing within Oceania with a bloody past. Managing to overcome the odds to prevent colonisation, Duotona has had to endure many trials caused by internal pressure. Still in a recovery process from the last dictatorship that it had to endure, the nation has risen from the ashes to become an unexpected nation of interest. **No longer will Duotona face misery.**

Seeing I've rated this flag 8/10 in terms of authoritarianism, 8.5/10 for this department.
