If your response is snarky or short, prepare to be /stillme'd

'short' and 'snarky' is very vague, please specify even more. And to make sure this doesn't count as short in any way, i will try make this sort of reply as long as i can possibly can. Just like some of the longest words in English, which if you wanted to know, are Supercalifragilisticexpialidocious, at 34 letters.

Pneumonoultramicroscopicsilicovolcanoconiosis, at 45 letters, Lopadotemachoselachogaleokranioleipsanodrimhypotrimmatosilphiokarabomelitokatakechymenokichlepikossyphophattoperisteralektryonoptekphallioikigklopeleiolagoiosiraobaphetraganopterygon, at 183. (And for the last two words, i will use its shortened formed because the mods will not like me for this)

Methionylglutamylarginyltyrosylglutamyl...serine at 1909 words. And finally Methionylthreonylthreonylglutamylalanyl...isoleucine at 189819.

However, the word will most likely be much longer depending on the language, especially if its an agglutinative language (like Japanese, Korean, Swahili, Basque...). The longest one that is in public dictionaries and in actual daily use is

Dziesięćsetdziesięćdziesięćdziesięćnarodowościowego, at 54 letters, and is Polish. But there other words i will mention:

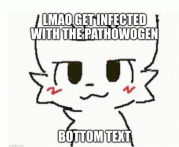

- Vastatykistömaalinosoitustutkakalustojärjestelmäinsinöörikoisu Finnish, 71 letters

- □□ □□ □□□□ □□□□ □□□□□□□□□□□□□□□□□□  
□□□□□□□□ □□ □□□□□□ □□□□□□□□□□□□□□  
□□ □□□□□□□□ □□□□, Korean, 77 letters
- Miinibaashkiminasiganibiitoosijiganibadagwiingweshiganibakwezhiç  
Ojibwe, 66 letters
- Pinakanakakapagngitngitngitngitang-pagsisinungasinungalingan,  
Filipino (Tagalog dialect), 59 letters
- Muvaffakiyetsizleştiricileştiriveremeyebileceklerimizdenmişsinizces  
Turkish, 70 letters

If you still count this as short, then your standards are impossible to follow.

"You can't make the punishment death for even the tiniest acts of blasphemy" says political figure, is immediately executed for blasphemy

I find it incredible your leaders simply do not realise this "political figure" will be seen as a martyr in the future. They created a martyr.
