The Final Countdown — Europe (Vintage Cabaret Cover) ft. Gunhild Carling

Peter Kropotkin wrote, "We accustom ourselves and our children to hypocrisy, to the practice of a double-faced morality. And since the brain is ill at ease among lies, we cheat ourselves with sophistry. Hypocrisy and sophistry become the second nature of the civilized man. But a society cannot live thus; it must return to truth or cease to exist." ***The Conquest of Bread (1892)***
