Due to the Second Reloviskian Civil War, August Coup, Reunification War, Revoski Protests, and the military trying to dissolve itself, most of my factbooks are out of date.

Moment of realization that I'll have to add more to my factbook for the current civil war.

A neet just tried to touch the governor's ass, gets sent to jail for sexual assault, charges will be filed

Horthy: Above is not enough! We need to learn from the Essic Sultanate and shoot sexual assaulters on sight. Jails are simply a waste of tax money.
