The Intermarian Order, while historically been isolationist, has recently begun investing in foreign powers, especially monarchistic and non-communist ones.

The government of Kronova's policy towards religion is that, while organized religion may exist, it must be subservient to the government. Any and all priests and bishops of the Chalian Church, which comprises half of a percent of the population, must be native-born Kronovan nationals, members of the national communist party, and be confirmed by the local councils of the area they wish to serve in before they can be officially appointed.

Elections for President, Vice-president, Senior Assistant and Junior Assistant occur every two years, wherein any citizens can run and vote. Registered members of an official religion may vote for representatives on the Council as well.

The first king of their nation was King Kladiusz, who defeated the forces of the old Republic in a civil war to proclaim himself as an autocratic monarch. This is a reference/allusion to Caesar proclaiming himself as Dictator, after overthrowing Pompeii and taking Rome. Although, I do get a bit of Augustus vibes from this. Quite curious to see who the Pompey or Mark Antony of this world is.

They have a vast empire in Asia and their own national anthem too !

I am not a pirate nation. I am like any other war torn African country. The pirate flag is there cause it's Somali.

The name of my nation literally means 'Corrupt land' in Somali language. The nation is legally a part of Somalia in all but name and in a state of complete anarchy .

Currently there exists a 4 way struggle for control of this land and its **piracy, slavery, arms and drug trade** between a Rouge Somali politician, a typical Pirate warlord, an extremely cruel, corrupt Portuguese UN peacekeeper general and the descendent of the Pre Colonial king of the land who has returned from his mansion in Paris to spread mayhem.

Many bored manly men from well off countries come here to live a life of excitement and unleash their testosterone by becoming a mercenary in our civil war.

The nation is run by a trio of bodies, with (imo) the Presidium appearing to operate as a legislature, the Communist Party as an elected(!) executive, and the Premier as the military leader.
