Bon Jovi - Because We Can
From *What About Now* (2013)

*She's in the kitchen staring out the window
So tired of living life in black and white
Right now she's missing those technicolor kisses
When it just ain't alive*

*Lately feeling like a broken promise
In the middle staring down this town
There's only one thing in this world that she knows
He said forever and he'll never let her down*

*I don't wanna be another wave in the ocean
I am a rock not just another grain of sand
I wanna be the one you run to when you need a shoulder
I ain't a soldier but I'm here to take a stand
Because we can*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Bruce Springsteen - The Rising
From *The Rising* (2002)

*Left the house this morning
Bells ringing filled the air
I was wearin' the cross of my calling
On wheels of fire I come rollin' down here*

*Come on up for the rising
Come on up, lay your hands in mine
Come on up for the rising
Come on up for the rising tonight*

Satanic Warmaster - Night of Retribution

*The pyres burn in the distance for Satan
Barking dogs in the woods are far away
With my shield and sword worn with valour
I smell the terror of the holy in the wintry night*

*I stand at the fires, still my breath steams in the cold
In the light of the fullmoon I mount my horse
It's the night of retribution and christian holocaust
From the pyres their screams call our old horn's return...*

Bruce Springsteen - Streets of Philadelphia
From *Philadelphia* [Original Soundtrack] (1993)

*Ain't no angel gonna greet me
It's just you and I my friend
My clothes don't fit me no more
I walked a thousand miles
Just to slip this skin*

*The night has fallen, I'm lyin' awake
I can feel myself fading away
So receive me brother with your faithless kiss
Or will we leave each other alone like this
On the streets of Philadelphia?*

The True Werwolf - 0373

*It is the year zero three seven three
Earth lies in ruins by overpopulation
Far away in the Su-ilis solar system
Space colony four two eight awaits*

*The work of a father crushed by fire
Last fragments of data found in the wreck
The final request to complete the quest
For a new haven among the stars*

*A man dreams one day to fly
A man takes a rocket ship into the skies
He lives on a star that's dying in the night
And follows in the trail, the scatter of light
Turn it on, turn it on, you turn me on*

*Slow down my beating heart
Slowly, slowly love
Slow down my beating heart
Slowly, slowly love
Slow down my beating heart
Slowly, slowly love*

From *The Beatles* (1968)

*Will you, won't you want me to make you?
I'm coming down fast but don't let me break you
Tell me tell me tell me the answer
You may be a lover but you ain't no dancer*

Joni Mitchell - Both Sides, Now
From *Clouds* (1969)

*Bows and flows of angel hair and ice cream castles in the air
And feather canyons everywhere, I've looked at clouds that way
But now they only block the sun, they rain and snow on everyone
So many things I would have done but clouds got in my way*

*I've looked at clouds from both sides now
From up and down, and still somehow
It's cloud illusions I recall
I really don't know clouds at all*

The Clash - London Calling
From *London Calling* (1979)

*London calling to the faraway towns
Now war is declared and battle come down
London calling to the underworld
Come out of the cupboard, you boys and girls
London calling, now don't look to us
Phony Beatlemania has bitten the dust
London calling, see we ain't got no swing
'Cept for the ring of that truncheon thing*

*The ice age is coming, the sun is zooming in
Meltdown expected, the wheat is growin' thin
Engines stop running, but I have no fear
'Cause London is drowning, and I, I live by the river*

Bon Jovi - I'll Be There for You
From *New Jersey* (1988)

*I'll be there for you
These five words I swear to you
When you breathe I want to be the air for you
I'll be there for you*

*I'd live and I'd die for you
I'd steal the sun from the sky for you
Words can't say what a love can do
I'll be there for you*

Elton John - The One

[Live performance, September 22, 1994](#)

*For each man in his time is Cain
Until he walks along the beach
And sees his future in the water
A long lost heart within his reach*

*And all I ever needed was the one
Like freedom fields where wild horses run
When stars collide like you and I
No shadows block the sun
You're all I've ever needed
Baby you're the one*

Elton John - Sad Songs (Say So Much)
From *Breaking Hearts* (1984)

*And it's times like these
When we all need to hear the radio
'Cause from the lips of some old singer
We can share the troubles we already know*

*Turn them on, turn them on
Turn on those sad songs
When all hope is gone
Why don't you tune in and turn them on*

*They reach into your room
Just feel their gentle touch
When all hope is gone
Sad songs say so much*
