I recognise the name "New Lockelle" as one that floated around the forums even before I 'returned' with this nation so it must have been fairly known. Recently when I've started looking around the forums more, I've seen New Lockelle appear in quite a few places, so I'd say they're pretty well-known now too. As for what the line in the brackets refers to, I have not a clue. I must be amongst "those who know".

oopsy doodles, ninja'd, editing.....

New Eestiball has been well-known around F7 as far back as I can remember. Looking at their 1500+ post count, it isn't hard to see why.
