They are a state between France and Spain, but have a historically English ruling family, because they were founded by returning Crusaders.

Their MBT really pushes the definition of "all-environment", and is capable of operating just fine underwater, in a vacuum, and in just about every possible terrestrial combination of climates and atmospheric conditions. They consciously decided to spell "united" as "uited" as a form of protest  
against the English language. Not a single time will you find it spelled as  
"united" in Communist Africa. I wonder how they pronounce it, is it just  
normal or is it consistent with the new spelling?

Pretty hard to claim you're 'Aryan' when your first and maiden name have Irish  
origin.

Honestly, the guy, if anything, has a pretty low standard. Literally goes 'as long  
as he's white'. Ghouls? Okay as long as their white. Italians? They're white so  
it's fine. Slavs? A-okay too. Jews? They're white too. Purity is the least  
important thing in his mind. Hitler probably would hate the guy.

Actually, in honor of this, I'm actually going to add Nazis to his against list,  
just to fuck with people.

Their monarchic succession was apparently interrupted by the so-called Socialist Interregnum, starting in 1927, and lasting for a decade after that. They seem to have returned to power soon after, in stark contrast to most other instances of socialism-driven regime change and monarchic deposition.
