Well, you see, little one... when a Mummy Communism and a Daddy Communism love each other very much...

I know that when a Daddy Communism loves mother Anarchy very much, they will have a little baby Anarko-communism.  
And when a Daddy Communism loves Mother Russia very much, they will have a little baby USSR.  
So Daddy communism can't even marry Mummy Communism. He has already married many times.

My flag isn't Italian nor Mexican.

I'm not very fluent in English, so pls forgive any possible grammar/spelling mistakes.Thanks.
