Eat dem dogs.

*This is cult of personality, the day that you will be free is the day you'll never see,  
What you do is my will what I want you all to be, my obedient tools in the hands of me.*

*Live inside my world no wrong or no right, only me and me alone whose statue burns bright,  
I tell you what to do and I want you to fight, disobey MY words and you FACE MY MIGHT.*

Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia
