Yo; el otono
Yo; el vespero
He sido un eco.

dead prez – I Have a Dream, Too

*"Just when you thought it was safe, Police kill a little boy last night
They said it was a mistake, But that won't bring back his life
His momma couldn't believe, That it could happen to her
She prayed to God everyday, Guess it just wasn't enough..."*

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Godflesh-Toll

Might be my 2nd favorite Godflesh album. Probably in between Streetcleaner and Pure, the 2 I have re-listened to.
