Very well known as a famous(or infamous if you want to put it that way) issues author. Personally, I have no issue with inciting civil wars across NationStates.

Actually saw them a few times here and there in NS Sports, but more often in F7. So the reputation is a bit more leaning towards F7.

Definitely a very well known Raider, now perhaps just spending a bit of their time chilling on F7. Getting a bit more traction on F7. On NSGP, most very definitely known.
