"Poetry is the mother-tongue of the human race."

This realm of Forum 7, I never thought I could,  
But it should not hurt to try, to write a couple of lines.  
I cannot rhyme, I am not well-versed,  
I don't have the knowledge of Literature, that is solely needed for  
this task.  
But I will try at the end of the day, and maybe I can get better at it.

BN: Actually not French. I like it though ! It looks pretty cool to my

If you are reading my sig, I want you to have the best day ever !  
You are worth it, do not let anyone get you down !

(Spaces between words and exclamation points tell me that you are French.)

There are countless people who have never been told this before, and that's a shame.

Val's right. To anyone reading this, you **are** worthy of love. You **are** worth talking to. You **are** worth something to society. You **are** worth it.

Wth? The entirety of AN's sig is peak. The blue and white colours on their sig and on their flag, alongside symbols and special text AN used makes the entire thing a BBcode showoff. 10/10 sig, beautiful to look at.

Unless stated otherwise, consider stats and policies to be not canon.

There are two people. Those who simply state their NS stats are not canon and those who violently murder them.
