The Beatles - With a Little Help from My Friends

*Would you believe in a love at first sight?
Yes, I'm certain it happens all the time.*

Laibach-Nova Akropola

Sounds like some soundtrack to some old horror film in industrial form. Very unique band who seems to change up their industrial style a LOT

Sums up NationStates general debates well.

“ **The Nation of Ceneria wrote:**

I always thought listening to my own compositions would be weird and I don't think I could help but be critical of my own work if I was listening to it in my own free time.
