Neither am I because I think it is freaking annoying. I don't understand the huge love for it at all. Just sounds like a generic Disney song I've heard twenty times already, but maybe even more annoying than usual. Doesn't change the fact it ALWAYS GETS IN MY HEAD

Gire - "Éjmély"

Splendid Hungarian avant-garde metal. Corrian, I think you might like this band's album.

Against Me! - White People for Peace

**Республіка Рурідова - Королівство Вілкія**

*"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; I needed clothes and you clothed me; I was sick and you looked after me; I was in prison and you came to visit me... Truly, whatever you did for one of the least of my brothers and sisters, you did for me."*

But, but...I've already added like 25 new albums to my backlog

Kinda feel like I'm listening to a different version of MGMT's material.
