New Man decides that he will get to the bottom of the "death by big Mac" phenomenon, and kill the person responsible for the mass poisonings.

Fortunately, man escapes interrogation and took off on on a horse, where he was presumed missing. He then continues his personal investigation into the "death by big Mac" cases, in his barn somewhere in southern Oklahoma.

Man finds that the whole Big Mac conspiracy is a computer simulation. He pulls the wires, but is shot by the automated defense system. The Big Mac conspiracy has ended. Man died a hero. There were statues built of him.

New man
