No formal unifying government, disorganized tribes led by chiefs for each tribe.

Federal Republic under a Military Dictatorship

What if Eastern Rome survived?

Basic Overview: Basically an althist where Basil II actually has decent successors who build on his achievements, resulting in a STRONK ERE that beats back the Sejuks and eventually does it's own reconquesta in the Middle East. Also, The Crusades never happened, the Viking conquest of Britain succeeded, and the HRE became a centralized state and destroyed the Normans.

Aristocratic republic, seeing itself as the heirs to ancient Rome.

Like democracy? Don't like totalitarianism? Then the [Iron Front](#) might be something for you. We're a region for nations devoted to the ideas of democracy and anti-totalitarianism. Other than totalitarians, people of all ideologies are welcome.
