Well, looking that young works when you're trying to play a character like Arya Stark from Game of Thrones, who was 11 in the first season of the show I think (9 in the book), and she was 13 at the time...And considering she still looks like she could pass for an 11 year old at 16 (She's 17 now)....Though it really depends the picture because there's definitely some where she looks like a teenager.

Because yes, I follow her enough to know that.....

(Used her for multiple RP characters, so that's part of it...)
