probably depends on what you're selling, but you probably will only get a fine if you're selling something illegal, but most stuff isn't.

Because it is non-violent, no prison time. Profanities go unpunished. And clothing is optional (unless businesses/schools enforce clothes-wearing, must gain the government's approval for school uniforms). In all of this, the person would go unpunished. UNLESS:

1. It is hate speech. (Prison)
2. They are protesting/insulting the government within 50 feet of a Royal. (Life Imprisonment)

\*Street protests are allowed, as long as they aren't protesting or insulting the government. Petitions are legal, but cannot take power from the Royal Family or give power to criminal citizens (people with a criminal record in our country).

Having a trespasser enter (illegally):  
Within 5 feet of the leader's palace.  
Entering the grounds of the leader's palace.  
Entering the leader's palace.  
Entering the leader's room.

Oh... that is a tough one to answer. To keep it short, however, a heavy fine of \$5000 and imprisonment if your case is ruled guilty.

Depends on what secret you leaked: if it's going to expose important military/scientific subjects to our enemies it's clearly espionage and you're going to be going to jail for a LOOOONG time, but if it's revealing things like how the government has been spying on its citizens or who killed Jeffrey Epstein... you'll probably get lauded by the people, and you'll more than likely not get prosecuted.
