It matters little how many X are Y so long as special provisions for Y-ness among X exist.

by **Greater Korean Juche Republic** » Thu Feb 21, 2019 9:18 pm

5/10. It can be taken either way depending on the view of those looking to it. One one side it could be a heroic land of plenty and freedom. On another, a deathly flag of imperialism.

(I do not use NS stats)

Modernized Juche Korea. In 1900s, Joseon Dynasty still existed. Kim Il-Sung led one of many revolutionary groups, captured 2/3 of Korea. Alternate Korean War, North won in 1950. Kim Jong II dies in 2009, Un in 2016. A cousin, Kim Seyong-Taek obtains power and makes Korea a regional influencer.

A good like 7/10. Juche is a big no-no, at least in the US. Plus, I like food.

It would be more menacing if you either turned the yin-yang into a circle and got rid of the star, and got rid of the ripple so I can see it better.

The Kingdom of Arabia; What if the Arabs were given their lands after the Arab Revolt?

A constitutional monarchy comprising of the Arabian Peninsula, Jordan, and Iraq. Not the most realistic scenario, but what is?

Hmm, not too evil, but you do have black and red in your flag, and they are commonly considered the colors repped by edgelords, so I'd say a respectable 325 out of 666.

The Onigiri Enclave is a highly progressive scientific largely secularist nation welcoming to all (as so long as you aren't a bee or a jaywalker).

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.

I felt like going on a power trip, and thought to myself "Hey Ell, what nation/faction would be possibly the most overpowered one you could create?" And somewhere in my head the name "The Combine" screamed. So this is exactly wat I'm doing! Pray that the Union doesn't notice you, because it probably won't.
