song to comus, comus

THROUGH THE FOREST, DARK AND DEEP
SHE FOLLOWS COMUS' DANCING FEET

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Epic fkin' track, that. Heard it on the radio many a year ago, and it took me a long-ass time to figure out who it was. I was mildly disappointed that all of their music isn't in a similar vein, but I do still like that whole album :)
