I've never seen them and with only 46 posts since April 2021, can't say they'd be that well-known by others either.

Very well known, since the days of the old, and has quite a lot of knowledge on the history of most of the subforums of NS, and is still going strong.

Very well-known. I remember seeing them a lot of F7 and....in general, I guess? They seem to have a distinctive style of writing and their flag is memorable, so it's kind of hard to miss them.

Seen them in F7, seen them in NSG, I would say a rising comet of sorts. Just a little below a star, for now.

To me personally? Not very well known, I surprisingly haven't seen them too often.

Based on their 2000+ forum posts and influence though, they're definitely very well known and notable on NS to everyone else. I'm just an idiot.
