Famous in F7, especially among the newer users of NS. Haven't seen you anywhere else but at the same time usually don't go anywhere else

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I think they are well known. Maybe not super well-known or famous, but probably most of F7 can at least recognize them.

Pretty good and decently popular, seen around in F7 often, and is very recognizable.

[Calennoa](#), my friend, I often unfortunately mistake you for another person I have interacted with a couple of times!  
And that's not a you problem, not at all! That's a me and my silly brain problem.

So anyways, sorry about not having much to say here, but... Well, what you said about [Norse Inuit Union](#) applies to you as well! At least, I think so. You'll see [Calennoa](#) around plenty in F7, so it's easy enough to recognise the AN[\*1] and perhaps even the AU[\*2] even if they might not present themselves as flamboyantly as some of the quote-on-quote "big shots" of F7; not naming names :P

No offense, by the way.

Anyways, my final verdict is... Yep, they are indeed quite well known, at least I believe so!

A well-known user for older F7 veterans but for FNG folks not so much. They have followed the other vets pattern of less appearances and more lurking, can't say I blame them though.

I've seen them around in F7 but seeing as they have 0 posts, I'd imagine that literally no one outside of this board knows them.
